FOREVER

CAR ACCESSORIES - TRANSMITTERS

Forever transmitters offer the possibility to both listen to music streamed from a smartphone via Bluetooth and make calls in hands-free mode. The colorful LCD display indicates the FM frequency, which is readable both during the day and at night, without distracting the driver from the road. The transmitters feature USB inputs and ports for SD cards.

STOCKING LARGE STAND

A proposal to fill a large display from the Forever brand.

It consists of 5 hooks and has 6 rows. Below we present an option of how many products fit on one hook from a given category and suggestions for filling the display.

How many products fit on one hook?

5 cables
3 car chargers
4 mains chargers
4 power banks
1 car holder

Suggestion for addition?

1. row: 5 car holders
2. row: 25 cables
3. row: 20 wall chargers
4. row: 15 car chargers
5. row: repetition of one of the above
6. row: 20 power bank
